Dear _____

I found this great website with loads of cool books and fun stuff to do! The website is Scholastic Book Clubs Online at **scholasticbookclubs.co.uk**. I'd love to have a Book Club in our school so that me and my friends can buy the latest books as well. We can **save up to 70%** on some brilliant books. It's also a great way to get new books for our library because for every order of £30 or more, 20p in every £1 is given back to school in **FREE books**!

It's really easy to do. Scholastic will send us Book Club leaflets so that you can give one to all of the other children to take home. All we have to do is fill out the order form and give this and their money to you. You send our school order in and Scholastic will send the books to us. It's as simple as that!

Please can you ask Scholastic to send us some Book Club leaflets! Just call them on **0845 6039091** or go to their website **www.scholastic.co.uk/schoolbookclub**

See for yourself!

Best wishes,

_____
